PROJECTS:

- **Men of Achievement Social Media App** (Spring 2017 - Current)
  This mobile application will allow one of my school organizations to communicate, share news, and plan events from their phones. Swift is the primary language for this project.
- **Website Portfolio** (Fall 2016)
  The purpose of this website was to serve as a portfolio that would showcase all my current projects and future projects. HTML5 and CSS3 were the primary languages used for this project.

PROFESSIONAL EXPERIENCE:

Desk Assistant   **January 2015 - Current**

Residence Life , Stephen F. Austin State University (SFASU) , Nacogdoches , Texas

- Prepared work orders and requests through the AiM customer service system for residents that had issues with the room they were assigned
- Ensured a safe environment by monitoring the front desk area and hallways of the residence facility at all times
- Interacted with residents and became familiar with them in a friendly and professional manner
- Collaborated with coworkers by creating informative meetings for residents who wanted to learn more about the residence hall they currently lived in
